

Electronic Proceedings in Theoretical Computer Science

Non-exclusive license to distribute

I, Tarmo Uustalu, grant the following license to EPTCS concerning NCL 2022 paper 26:

- I grant Electronic Proceedings in Theoretical Computer Science a perpetual, non-exclusive license to distribute this paper.
- I grant Electronic Proceedings in Theoretical Computer Science the right to grant other parties a perpetual, non-exclusive license to distribute this paper.
- I certify that I have the right to grant this license.
- I understand that papers cannot be removed once published.

I do

Granting this license is a condition for publication of your paper in EPTCS.
If there is anything in this license you find objectionable, please let us know.
